LETTER OF RECOMMENDATION

GOOD EARTH CPA

I have personally known Joseph Ni the principal of GOOD EARTH CPA for over 20 years as both a friend and as my company CPA in Taiwan.

Furthermore, I can testify to the character of Joseph as an honest and sincere gentleman.

Good Earth CPA has provided excellent service for my companies "NEW ZEALAND TAIWAN CORPORATION LIMITED" and "JT LIMITED" operating in Taiwan since 1999 covering company registration, accounting, tax compliance, secretarial services, legal and consulting services, debtor payments, sales administration, and payroll in an efficient, professional, and cost-effective manner.

We highly recommend Good Earth CPA to any foreign company who requires a local Taiwan CPA accounting firm that provides an English communications service.

Sincerely

JOHN TURNER
